

Simón Ángel – Roberto Muñoz

Astronomía en la era de la información – Clase 8

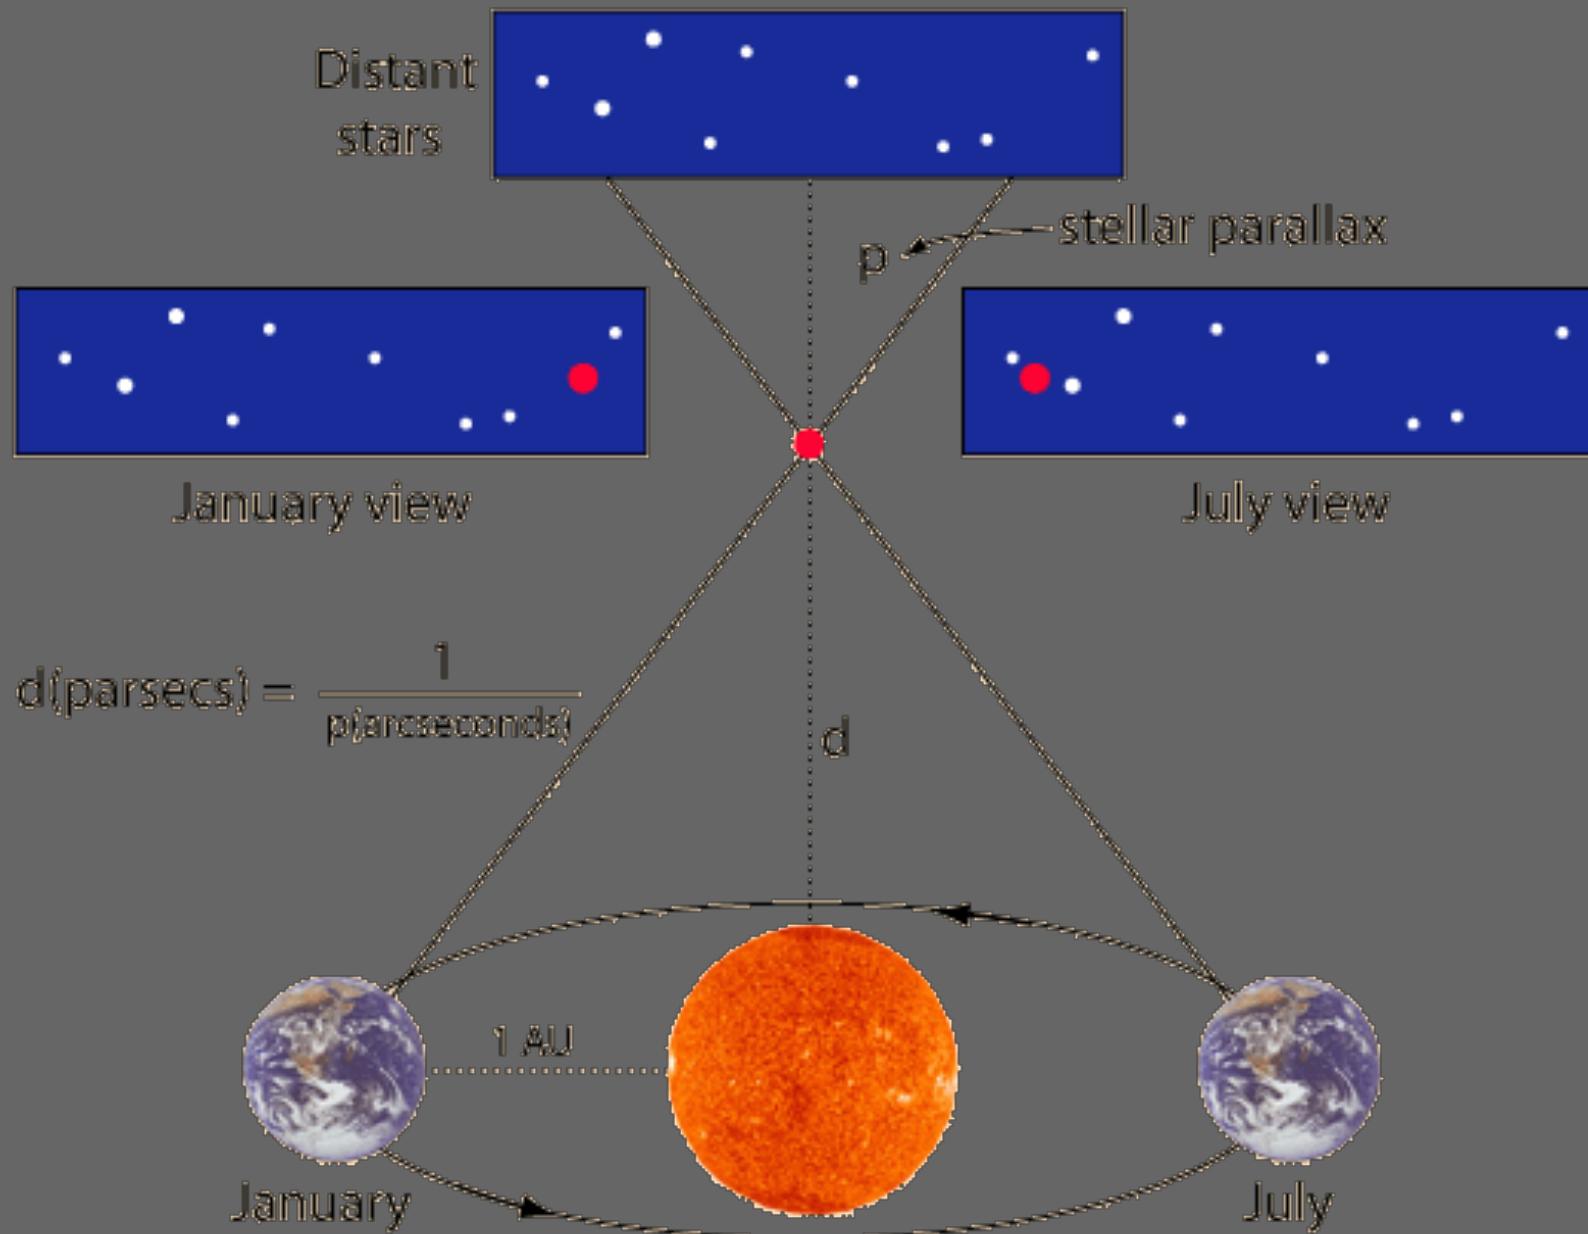

Poniendo reglas en el Universo

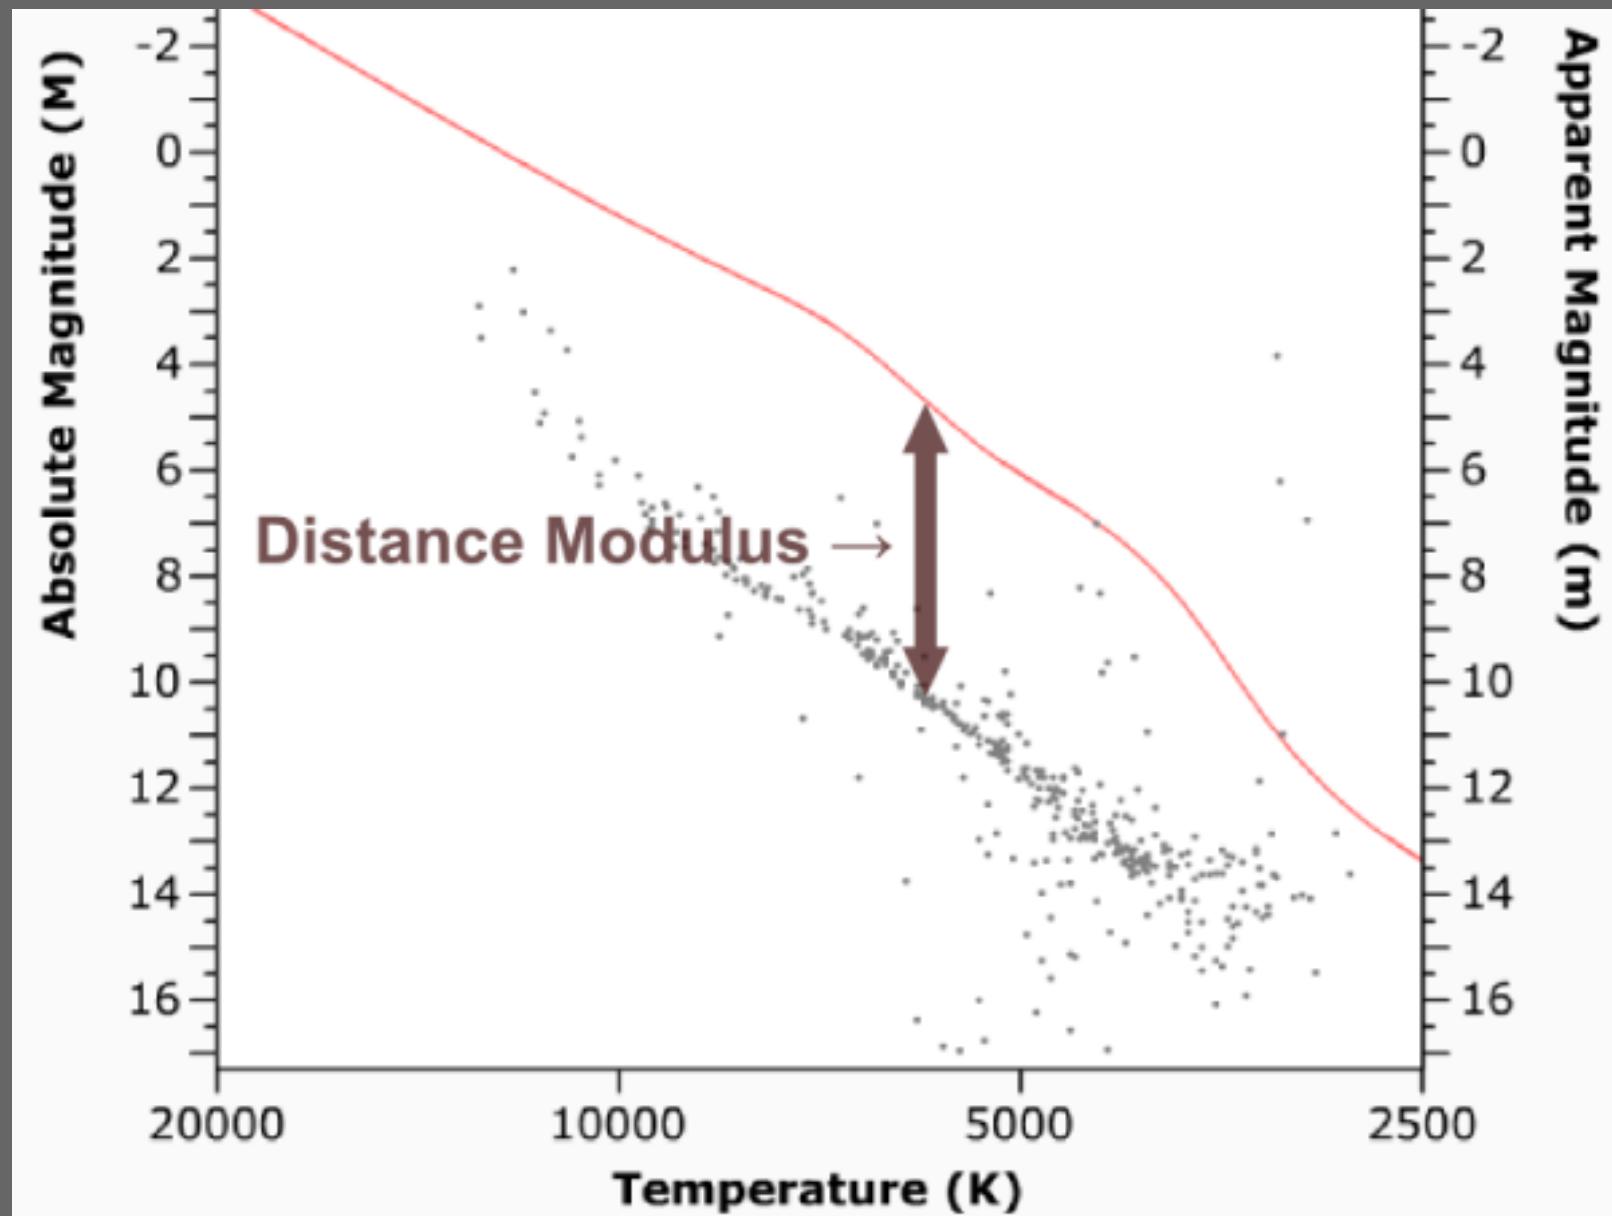

La escala cósmica de distancias

1 - Paralaje

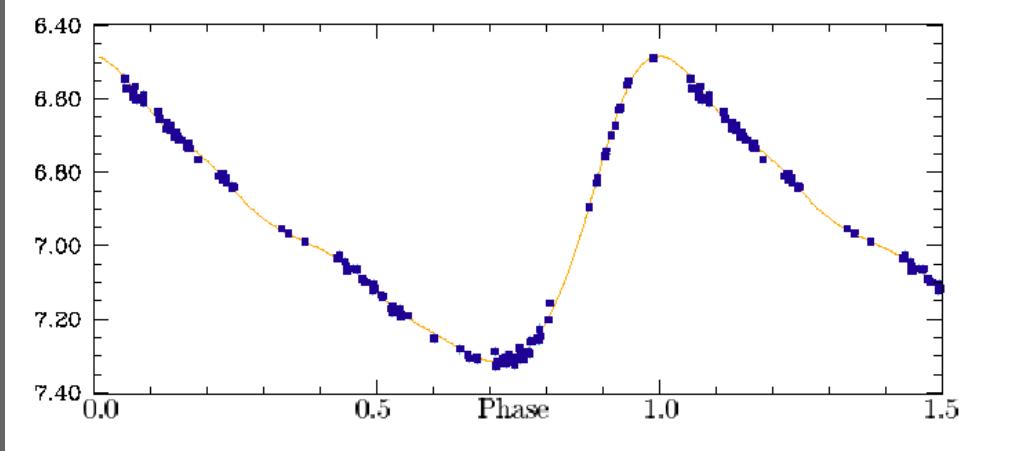

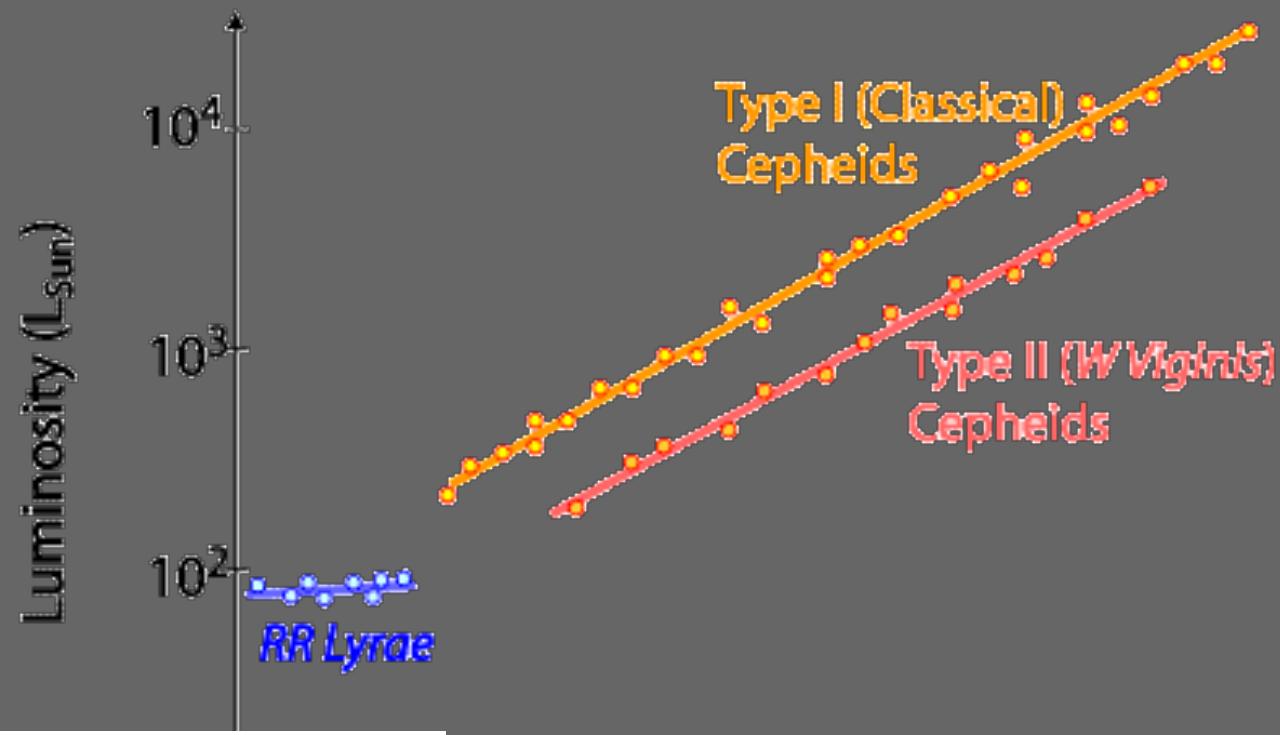

2 – Ajuste de secuencia principal

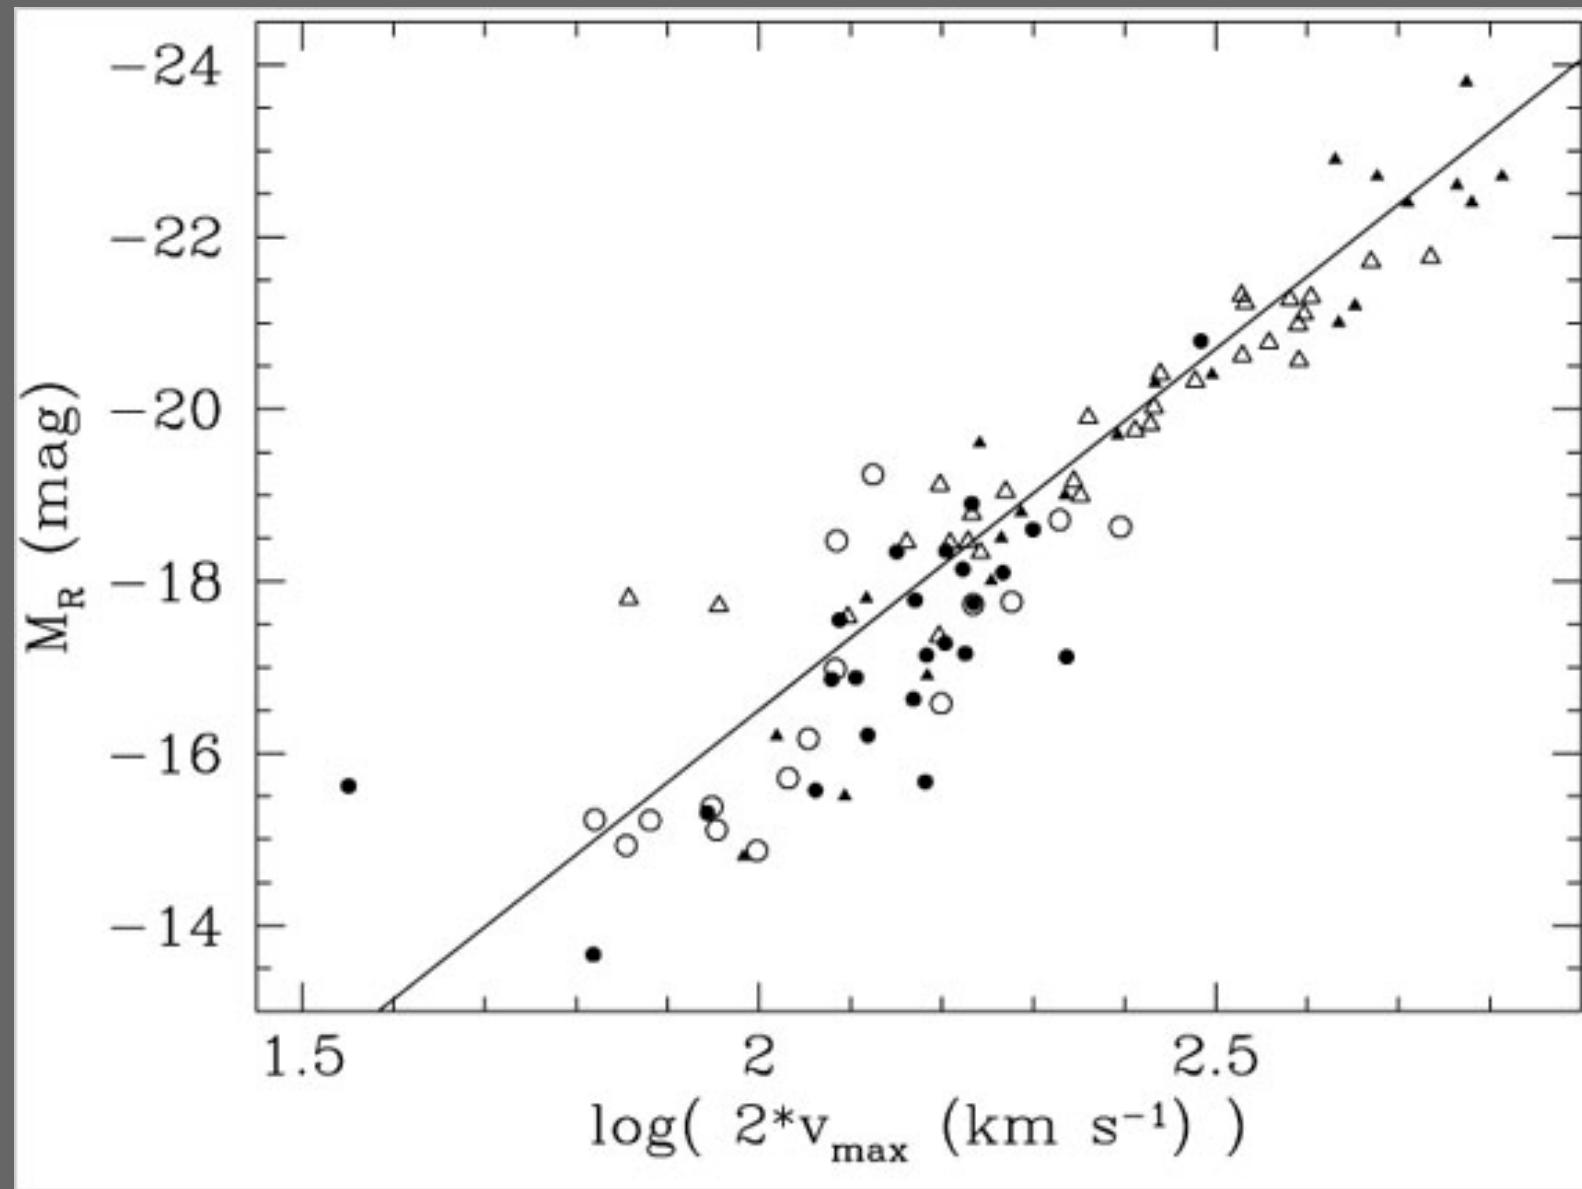

3 – Relación periodo-luminosidad

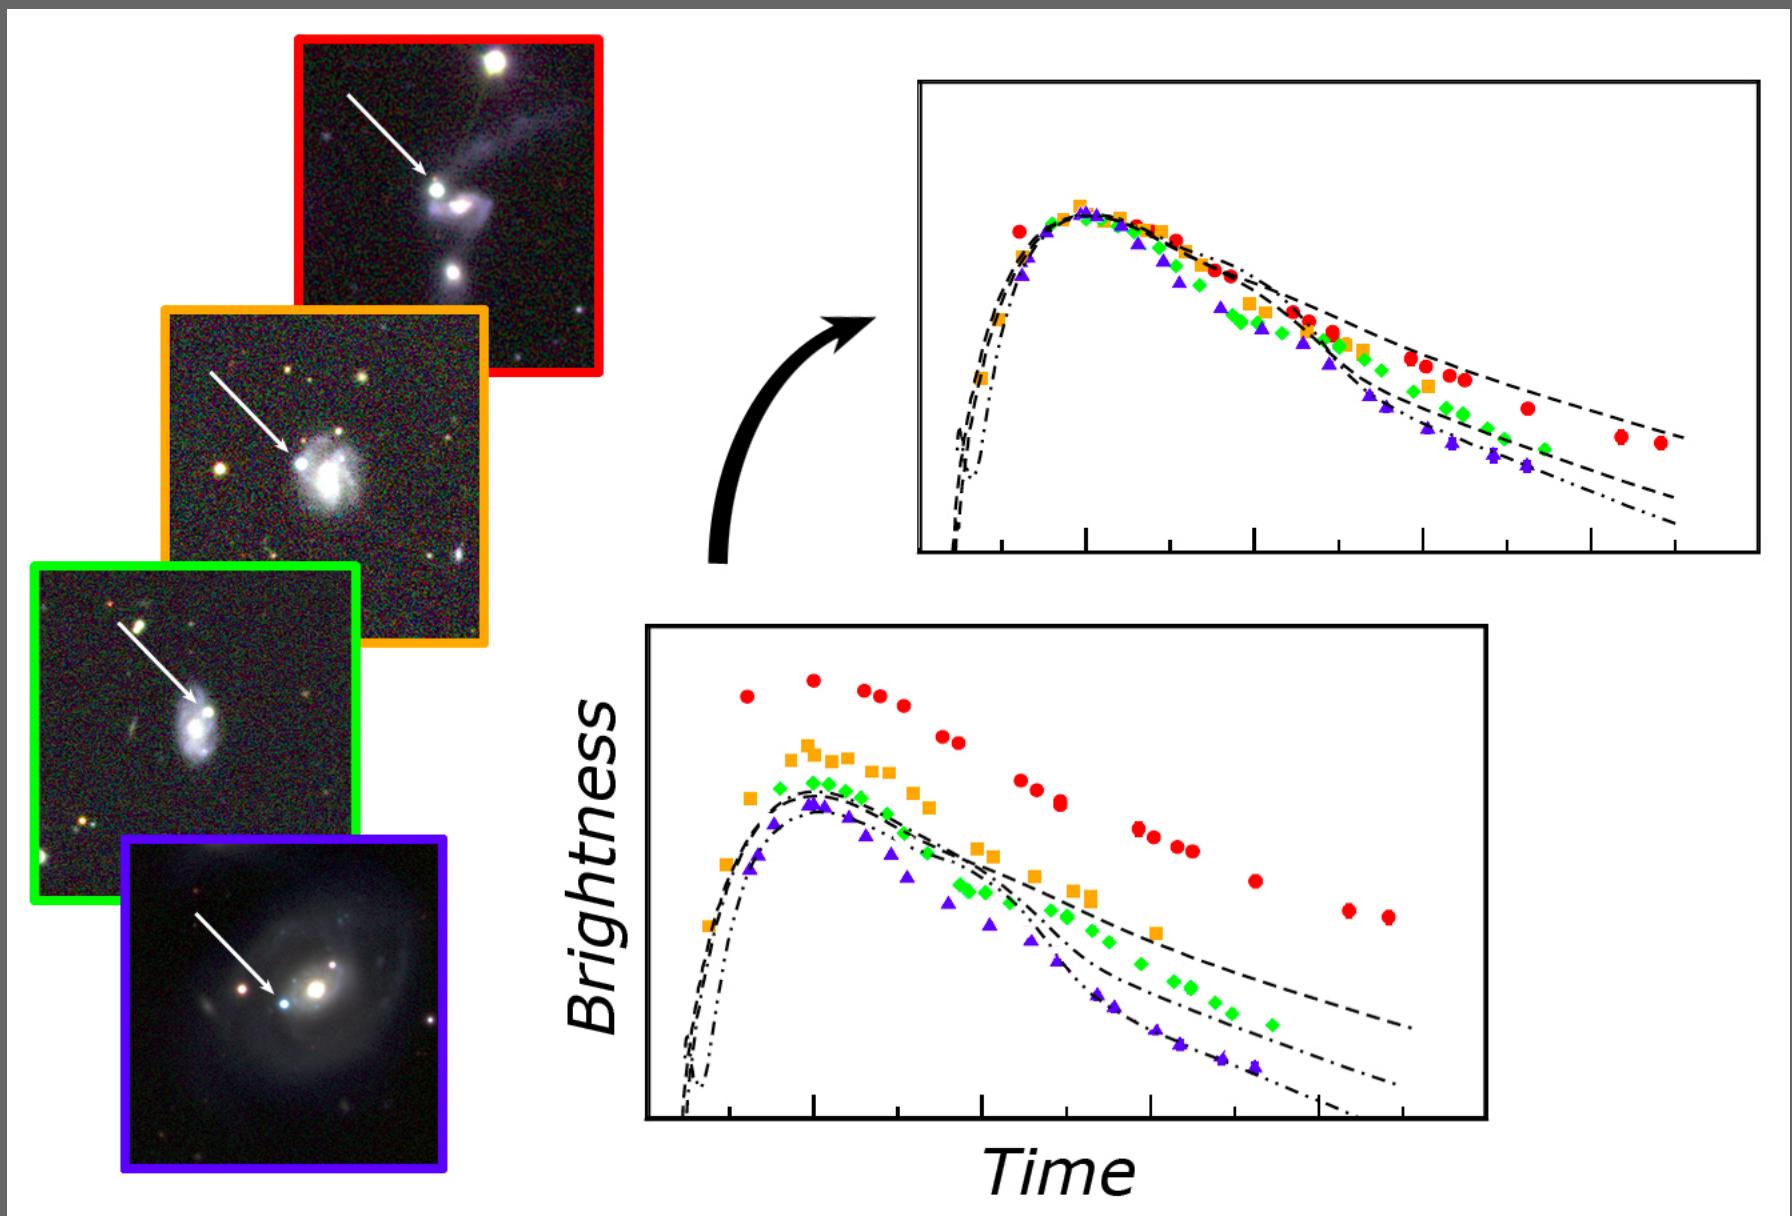

PERIOD - LUMINOSITY RELATIONSHIP

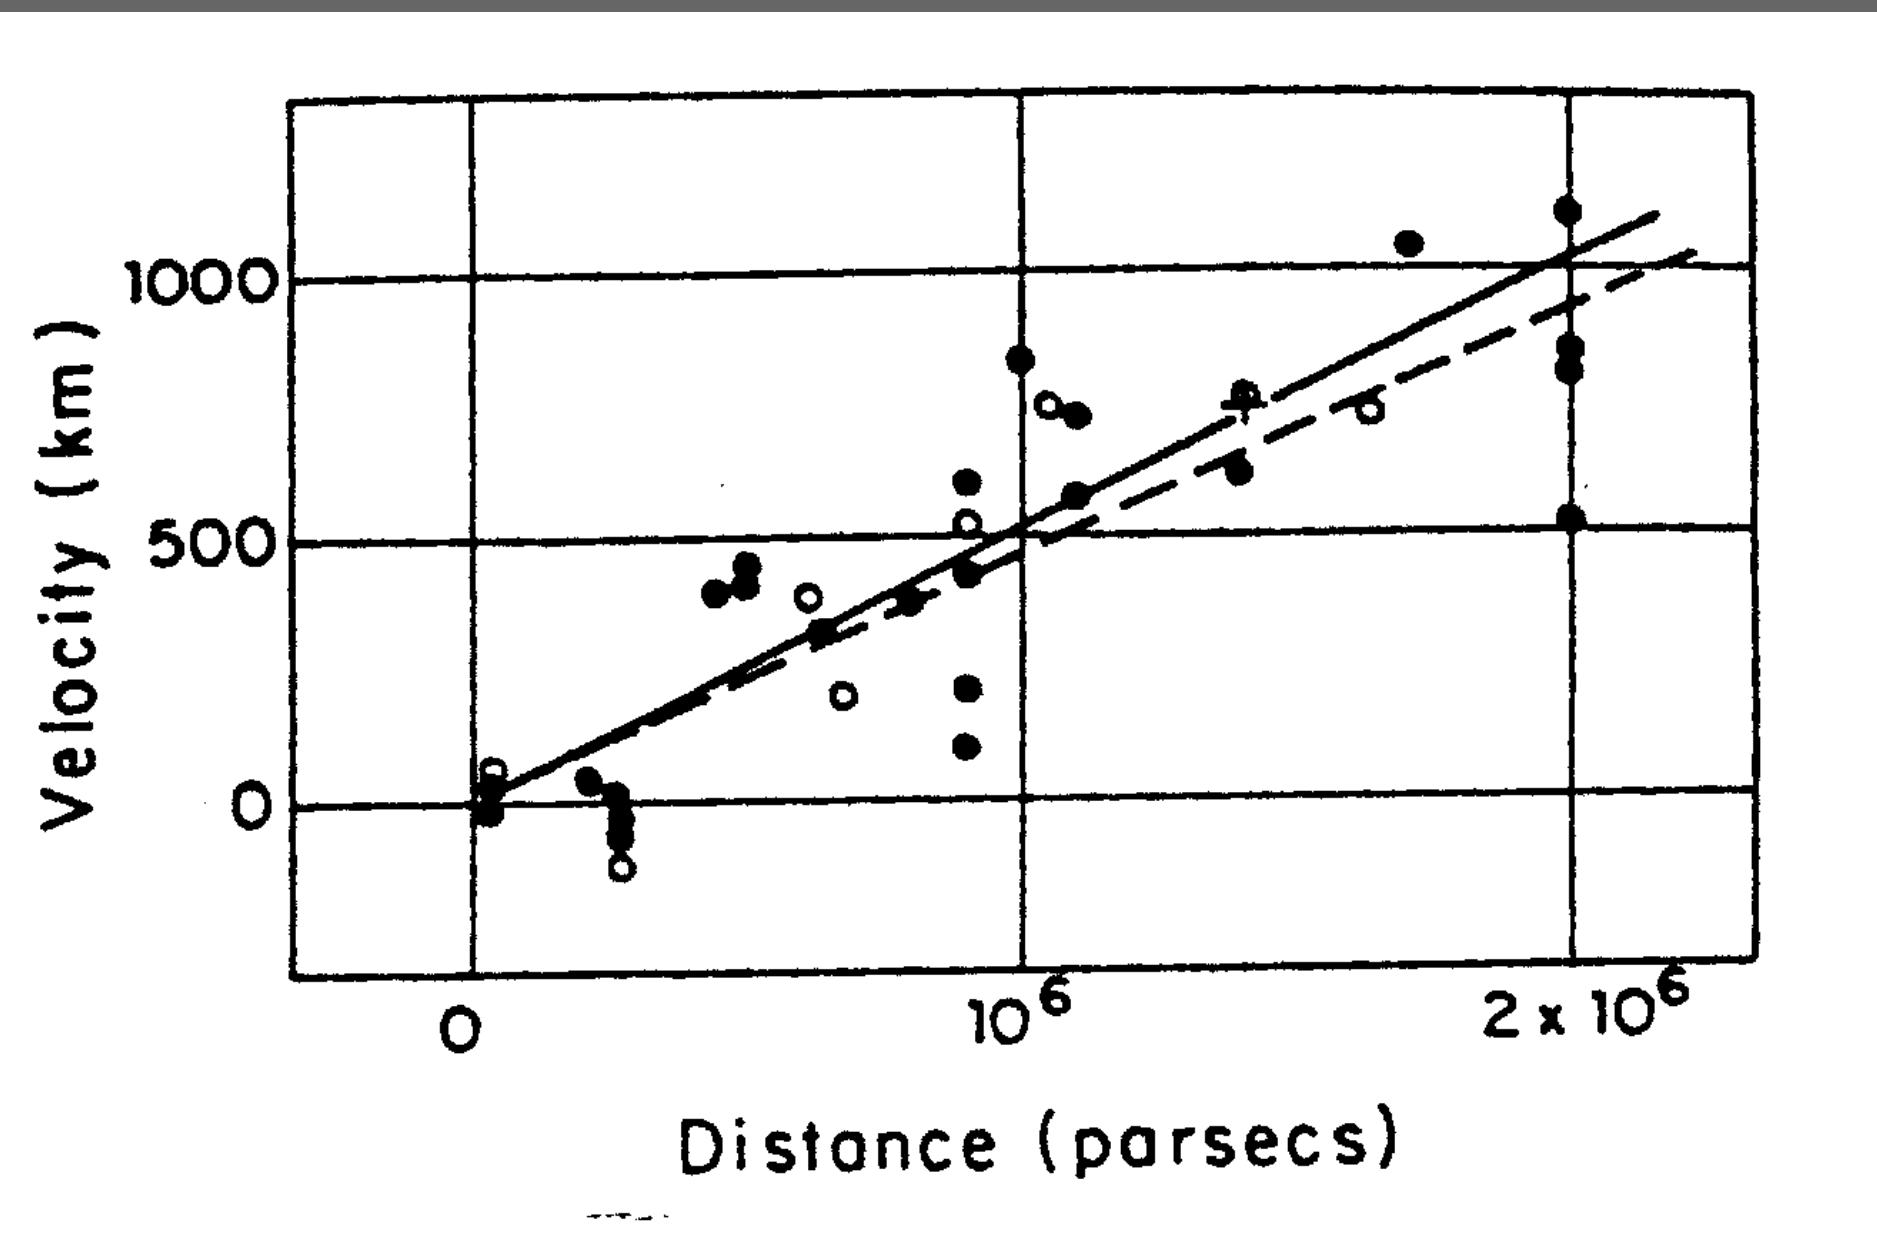

4 – Relación Tully-Fisher o Faber-Jackson

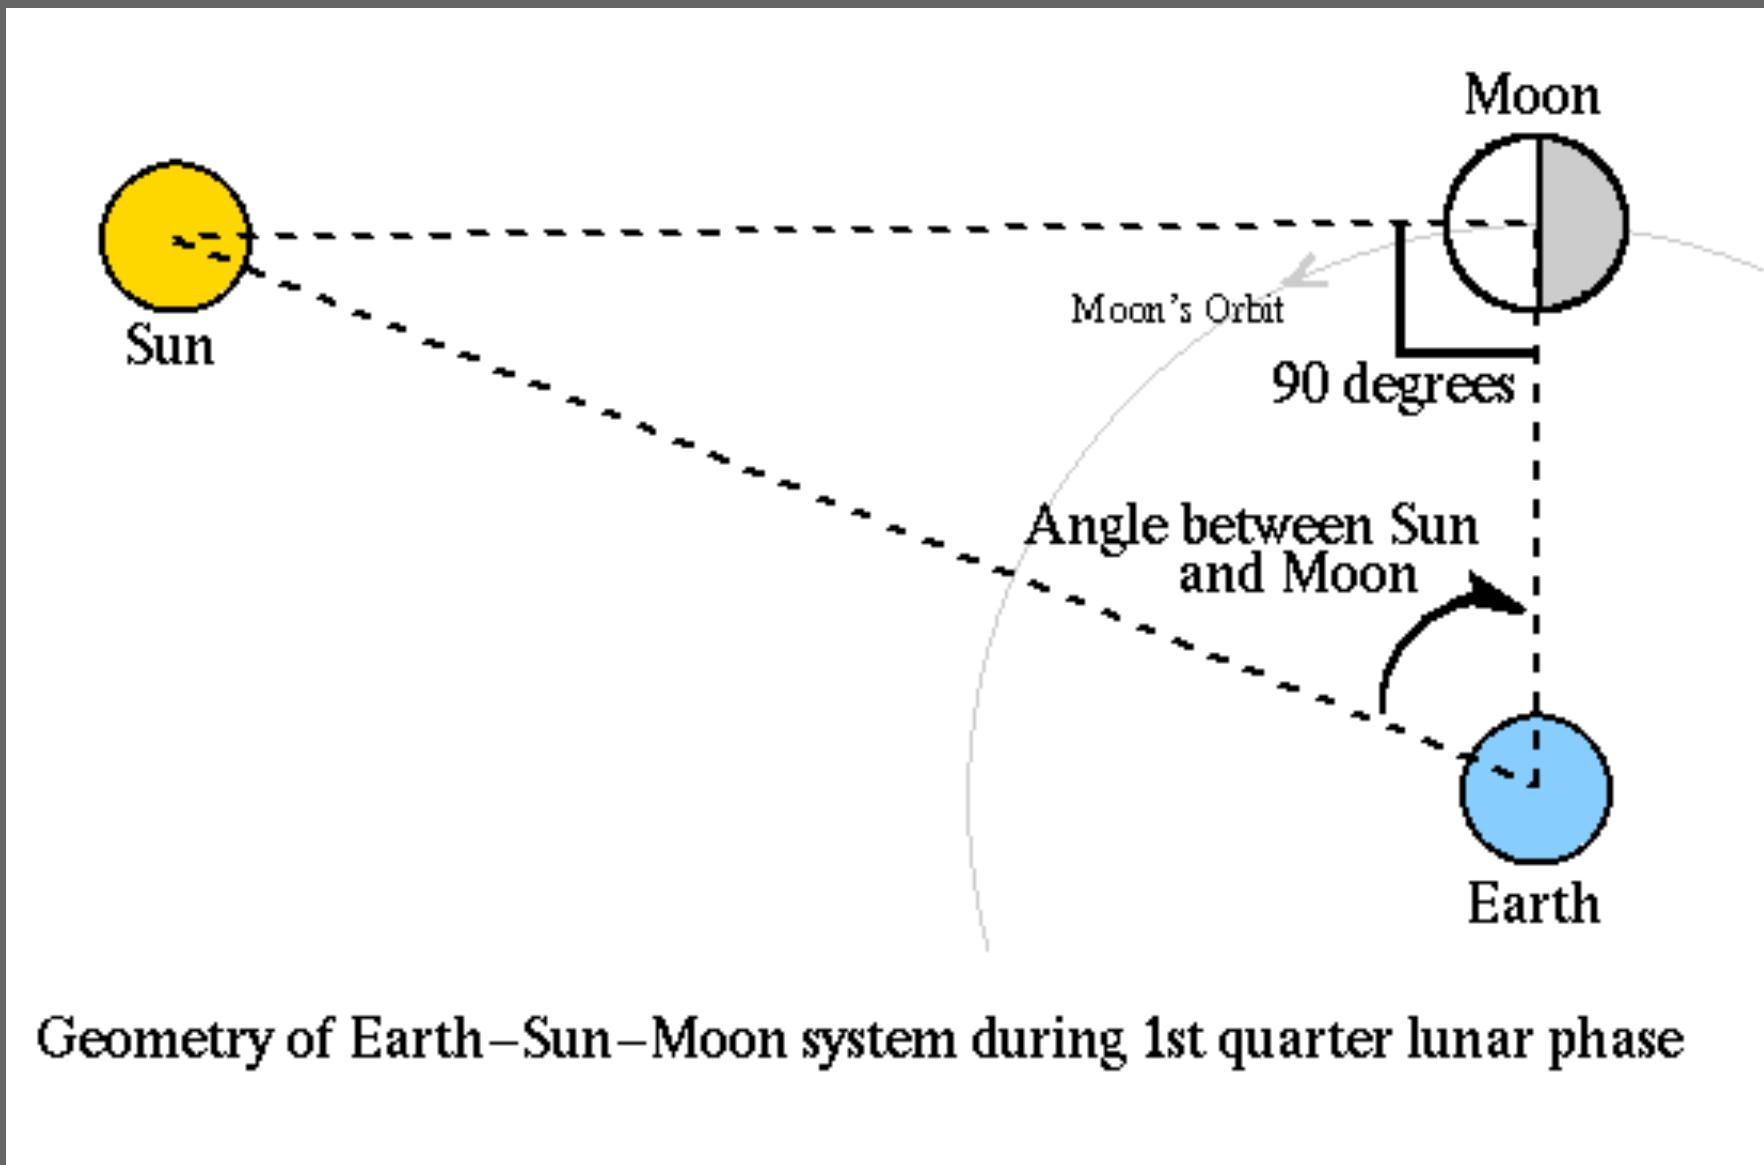

6 – Supernova Ia

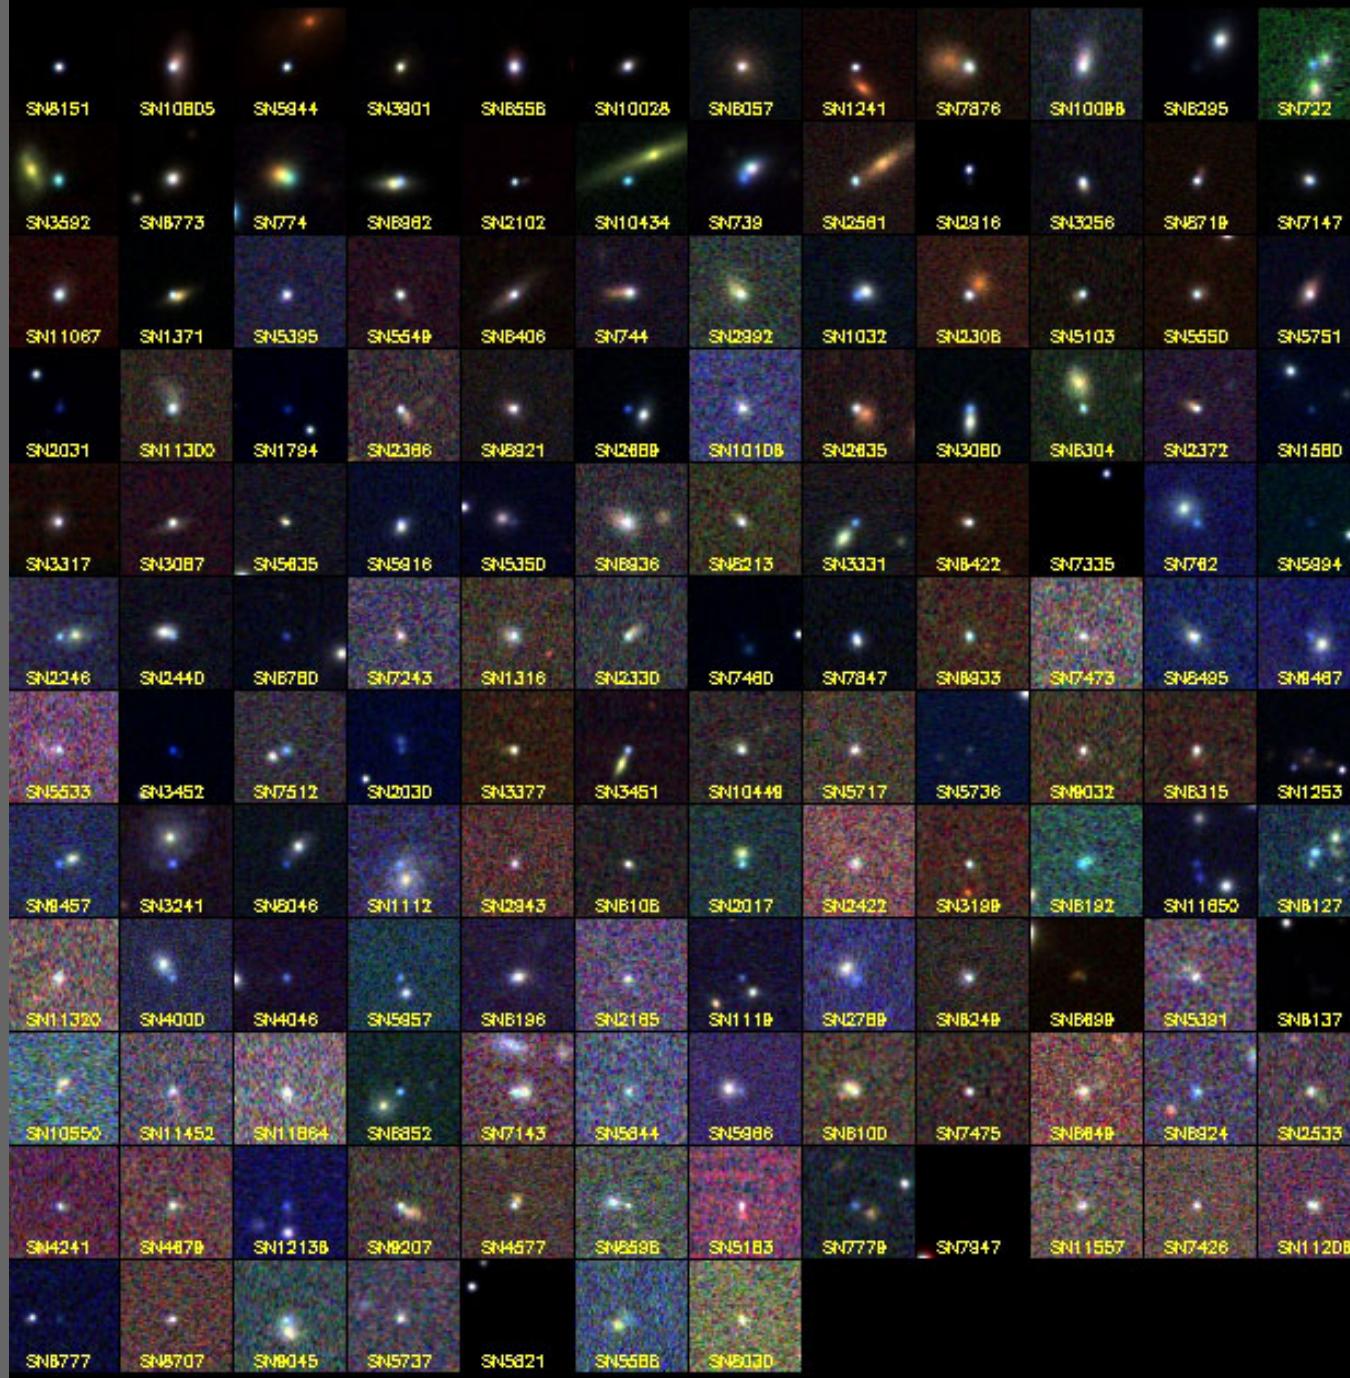

7 – Corrimiento al rojo

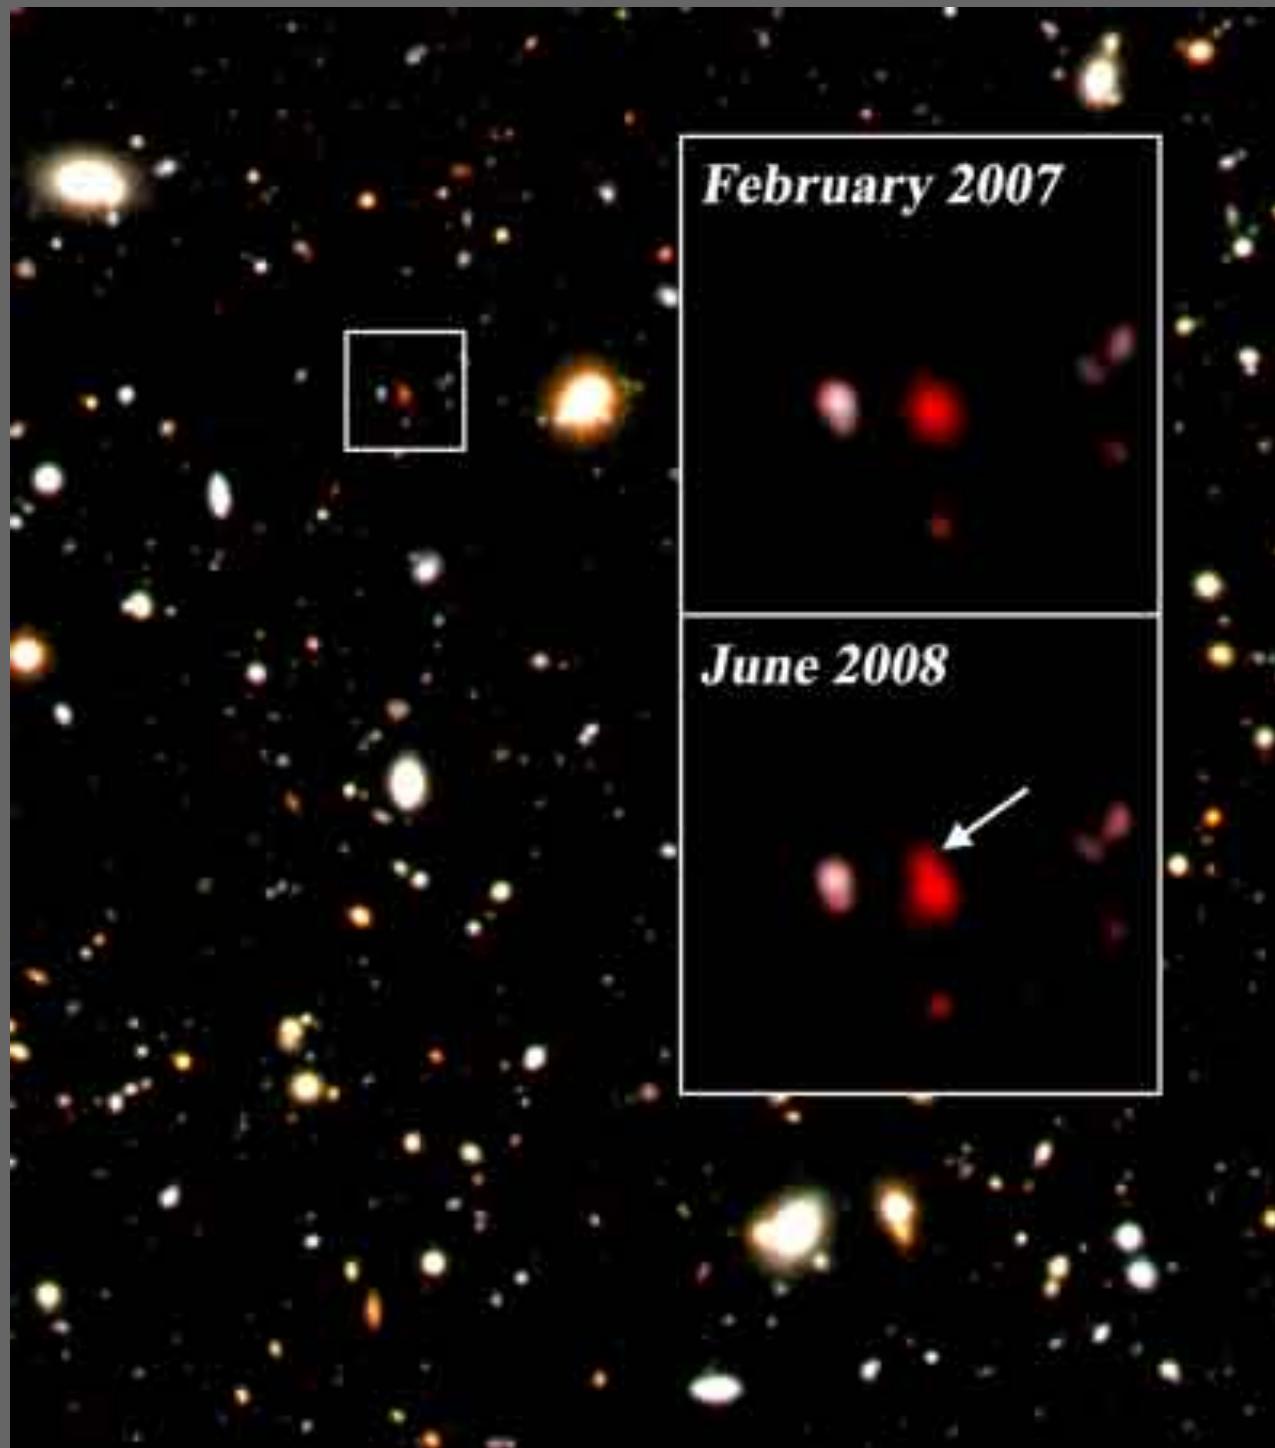

0 – Distancia al Sol (Unidad Astronómica)

SDSS II: 139 SN Ia in 2005

Importancia
de los
Surveys para
encontrar
Sne Ia

Distant Type Ia Supernovae
